Join WBJC and the inimitable Jonathan Palevsky this summer for an exceptional tour filled with great wine and superb music in San Francisco and California's Napa Valley sure to delight your senses!

Discover the history, dynamic culture and artistry of viticulture on excursions to several notable vineyards producing world-class wines. Raise a glass and enjoy carefully curated wine tastings along with a behind-the-scenes look at the vintner's craft and challenges facing the region today while settling into our home for three nights at the Napa River Inn. Enjoy stunning views across rolling hills, vineyards, and estates, and charming towns, as our private motorcoach plies the greater valley, and affords a broader view of this distinctive region. Our itinerary gives ample time to explore outstanding wineries including samples along the way of a wide range of sparkling wines, and the famed Cabernets, Chardonnays, Zinfandels, and Pinots this region is known for. We will be joined one evening by vintner Fritz Hatton, one of the foremost wine auctioneers in the world, and a classical pianist himself.

Napa, however, is so much more than wine. Our visit wouldn't be complete without a visit to Napa's popular Oxbow Public Market with its riverside deck and oyster bar. In addition, one of our vineyards will host a private chamber concert exclusive to the group.

When we head south to San Francisco, spectacular music becomes the main focus of our journey. The city has long been one of America's few true opera capitals, and we will visit its beautiful home, the beaux arts War Memorial Opera House, built in 1932, for two performances by San Francisco Opera. The recently late, lamented Finnish composer Kaija Saariaho's powerful one-act drama *Innocence*, called a

San Francisco Opera, *Magic Flute*

“masterpiece” by the New York Times, precedes Mozart’s glorious, fairy tale opera, *The Magic Flute*, in a production by the widely acclaimed director Barrie Kosky.

Across the street, the San Francisco Symphony led by its renowned music director, Esa-Pekka Salonen, celebrates a Bruckner anniversary year with the Austrian’s great 4th Symphony (“Romantic”) as well as Schumann’s dramatic Piano Concerto, his only one, with the virtuoso pianist Yefim Bronfman as soloist.

Beautiful San Francisco, surrounded by water on three sides, is relatively small. Yet that belies the city’s diversity and international flavor, and its standing as a culinary mecca on par with some of the greatest cities in the world. We’ll sample fine restaurants and make food stops among two of the city’s varied neighborhoods. Our hotel is the iconic Fairmont on Nob Hill where all your rooms face lovely San Francisco Bay.

Join us and experience the exuberance of this magical city and outstanding wine country!
