Annual EEO Public File Report

For the Period June 1, 2025 - May 31, 2026

This EEO Public File Report is to comply with the FCC's EEO rule which is required to be placed in the public inspection files of the station and posted on its website.

The information contained in this report covers the period beginning June 1, 2025, and ending on May 31, 2026.

The FCC's EEO Rule requires that this Report contain the following information:

1. A list of all full-time vacancies filled by the Station during the applicable period.
2. For each vacancy, the recruitment source(s) utilized to fill the vacancy.
3. The recruitment source that referred the hiree for each full-time vacancy during the applicable period.
4. Data reflecting the total number of persons interviewed for full time vacancies during the applicable period and the total number of interviewees referred by each recruitment source utilized in connection with these vacancies.
5. A list and brief description of the supplemental recruitment outreach initiatives completed pursuant to Section 73.2080 (c) (2) of the FCC Rules.

WBJC's license is owned by Baltimore City Community College, which is an equal opportunity employer and encourages minorities and women to apply for job vacancies. The College and the radio station provide such opportunities to all qualified individuals without regard to race, color, religion, national origin, or sex in all personnel actions including retirement, evaluation, selection, promotion, compensation, and training. Baltimore City Community College's student body is over 90% minority-based for whom WBJC-FM offers on-air promotions.

Outreach Initiatives completed during this period:

73.2080 C 2 v Internship Program:

In cooperation with Baltimore City Community College, WBJC has an internship program encouraging students to learn skills needed for employment in the broadcasting industry. Various on- air, technical and management skills are taught.

73.2080 C 2 viii Training Programs:

WBJC offers its employees the opportunity to engage in training programs via our licensee Baltimore City Community College and outside agencies, designed to enable station personnel to acquire skills that could qualify them for higher level positions. All full-time employees qualify for a tuition reimbursement program through the University System of Maryland. As such, employees have the opportunity to pursue degrees in Broadcasting, Marketing, Management, Engineering and much more at multiple institution of Higher Education across Maryland.
